THE PUBLIC LIBRARY OF THE CITY OF BOSTON.

RULES AND REGULATIONS.

The following lines contain a brief summary of the rules governing the use of the Library, the full text of which in pamphlet form may be had free. Every user of the Library is expected to be familiar with them.

The use of the Library is free to all at seasonable hours.

Citizens, students, temporary sojourners, officers and men of the Army and Navy, and certain other persons may become card holders. Special privileges are granted also to teachers and clergymen, and loans of books are made upon deposit.

Application made in writing, with reference or student's certificate, secures a Library Card entitling the holder to draw books. Card holders must notify Registration Clerk of change of address. Cards are non-transferable, and revocable, and registration may be cancelled. Lost cards entail penalty; responsibility continues. Cards must be presented and stamped regularly with each book drawn or returned.

Cards entitle the holder to two books for seven or fourteen days without renewal. Books are not transferable. There are limitations governing the issue of Seven-day books.

There are restrictions upon the lending for Home Use of certain books. These restrictions are shown in the Catalogue.

Any person may use books within the Library upon signing the proper form of application, promising to return them before leaving the room.

Fines of two cents a day and twenty-five cents per two weeks extra, for four weeks, and the full cost of replacing books, with loss of privileges until paid, are the penalty for overdetection. No exemption is granted except to children. Further detention is punishable by law.

Books must be used with care and all damage made good. Violations of this rule are punishable by fine and imprisonment.

Books must be returned when called for and are to be taken from the shelves only by employees, except in the open reference collections.

Conversation and other abuses are forbidden under penalty of expulsion. Damage to catalogues is punishable. Attendants must enforce the rules but may be reported for incivility.

The Central Library is open daily except holidays, from 9 A.M. till 10 P.M., Sundays, from 12 till 10 P.M., except that the summer closing hour is 9 P.M. both on week days and Sundays. The Branches are open at the hours posted therein.

HOUSE RULES.

A Coat Room is provided where garments and packages may be checked; but the Trustees assume no responsibility.

Dogs are not allowed in the building. Smoking is prohibited.

Employees are not, except in emergency, allowed to receive visitors during working hours.

If articles are lost or found in the Library Building the fact should be reported immediately to the Officer in charge of the Issue Department.

RULES AND REGULATIONS.

The following lines contain a brief summary of the rules governing the use of the Library, the full text of which in pamphlet form may be had free. Every user of the Library is expected to be familiar with them.

The use of the Library is free to all at seasonable hours.

Citizens, students, temporary sojourners, officers and men of the Army and Navy, and certain other persons may become card holders. Special privileges are granted also to teachers and clergymen, and loans of books are made upon deposit.

Application made in writing, with reference or student's certificate, secures a Library Card entitling the holder to draw books. Card holders must notify Registration Clerk of change of address. Cards are non-transferable, and revocable, and registration may be cancelled. Lost cards entail penalty; responsibility continues. Cards must be presented and stamped regularly with each book drawn or returned.

Cards entitle the holder to two books for seven or fourteen days without renewal. Books are not transferable. There are limitations governing the issue of Seven-day books.

There are restrictions upon the lending for Home Use of certain books. These restrictions are shown in the Catalogue.

Any person may use books within the Library upon signing the proper form of application, promising to return them before leaving the room.

Fines of two cents a day and twenty-five cents per two weeks extra, for four weeks, and the full cost of replacing books, with loss of privileges until paid, are the penalty for overdetection. No exemption is granted except to children. Further detention is punishable by law.

Books must be used with care and all damage made good. Violations of this rule are punishable by fine and imprisonment.

Books must be returned when called for and are to be taken from the shelves only by employees, except in the open reference collections.

Conversation and other abuses are forbidden under penalty of expulsion. Damage to catalogues is punishable. Attendants must enforce the rules but may be reported for incivility.

The Central Library is open daily except holidays, from 9 A.M. till 10 P.M., Sundays, from 12 till 10 P.M., except that the summer closing hour is 9 P.M. both on week days and Sundays. The Branches are open at the hours posted therein.

HOUSE RULES.

A Coat Room is provided where garments and packages may be checked; but the Trustees assume no responsibility.

Dogs are not allowed in the building. Smoking is prohibited.

Employees are not, except in emergency, allowed to receive visitors during working hours.

If articles are lost or found in the Library Building the fact should be reported immediately to the Officer in charge of the Issue Department.

- The Colbertine Breviary. Edited by T. R. Gambier-Parry. Vol. 1. London. 1912. [Henry Bradshaw Society. Publications.] 3432.140
The breviary here printed represents a private venture on the part of Jean-Baptiste Colbert, the great finance minister of King Lewis XIV. . . Two facts appear to arise . . . The first that the author was the Abbé Jean Gallois, possibly in collaboration with Etienne Baluze, the famous bibliographer, and the second that the book was printed in or about the year 1679. — Preface.

FINE ARTS DEPARTMENT.

CIRCULATION OF PICTURES AND LANTERN SLIDES.

The Fine Arts Department of the Boston Public Library, located on the third floor of the Central Library building in Copley Square, contains a large collection of mounted photographs and other pictures, and a considerable number of lantern slides.

COLLECTIONS.

The collection of mounted pictures is divided into three main portions:

A. The study collection of photographs (numbering about 19,000 at the present date), restricted to use within the Library building, for purposes of study and of exhibition. This collection is largely confined to reproductions of works of art, including architecture.

B. The circulating collection of photographs and half-tones (now numbering about 14,000, and rapidly increasing), from which pictures may be drawn for use by schools and clubs as described below.

C. The collection of colored pictures (numbering about 2,100), which may likewise be drawn for school or club use.

The collection of lantern slides (numbering about 4,000 at present) may also be drawn for a limited time, for use in connection with free lectures to be given in the City of Boston.

METHODS OF CIRCULATION.

PICTURES. A teacher in any school in the City of Boston, or any club in the city, may draw from the Library pictures, limited in number to 25 at a time, from collections B and C, above, for legitimate purposes of study. These may be kept for any period up to ten days, and a new set drawn upon their return; under no circumstances will a second set be lent until the first set has been returned to the Central Library. The applicant for pictures must be a card-holder in the Public Library; but the pictures are issued on a separate form, and do not in any way interfere with the full use of the card in borrowing books.

Pictures may be drawn from the Library in either of two ways:

I. By personal application at the Central Library; if a messenger is sent, he must be provided with a signed request from the teacher, stating the school in which the pictures are to be used.

II. By written application through any one of the Branches of the Library. In this case, the pictures supplied in response to the request are forwarded to the Branch Library in a portfolio, and a card is sent by mail to the teacher who has applied for them; the pictures are delivered to the teacher, or messenger, on presentation of this card at the Branch Library. The card, *after being signed by the teacher* (this signature is imperative, whether a messenger is sent or not) as a receipt for the pictures, is returned to the Fine Arts Department, and held as a voucher until the return of the pictures. The return may be made at the Central Library, or through the Branch at which the pictures were obtained: in either case, the pictures must be sent back *in the portfolio*, accompanied by the name of the borrower.

LANTERN SLIDES. Any responsible person wishing them for a free lecture or entertainment in the City of Boston may borrow lantern slides for a period not exceeding one week. Electric lanterns in which Library slides are to be used must be water-cooled; slides cracked or broken in use must be replaced.

In applying for pictures, the teacher should be as explicit as possible in stating what is wanted. The Library desires to make the collection of pictures as useful as may be, in the work of the schools of the city; the teachers will greatly assist toward this end by detailed statement of their needs.

For example, in asking for pictures of a country, if illustration of physical features (mountains, rivers, etc.) is desired, the fact should be stated; similarly, manners and customs, cities, architecture, industries, should be specified, if they are wanted. Only in this way can the Library be sure that the pictures sent will be adapted to the teacher's purpose.

The subjoined catalogue has been made somewhat detailed, as an aid to the exact statement of the teacher's needs; on some of the subjects named the Library has an abundance of material; on others, the number of pictures is limited. The collections are being steadily augmented, and the attempt is made to supply as rapidly as possible such deficiencies as are shown by the requests of teachers.

PICTURE COLLECTIONS AT THE BRANCHES.

To supplement the material provided by the Fine Arts Department of the Central Library, there have been formed at the Branches collections of inexpensive pictures likely to be of use to teachers in their work. These pictures are chiefly representations of birds or animals, or are related to geography, physical and political, history, folk life, or the industrial arts. They consist of plates cut from periodicals or condemned books, mounted postcards, Perry pictures, and other inexpensive reproductions. Some of them are colored. The pictures are lent freely to the teachers in the public schools of the city and to clubs. Over forty-two thousand were circulated last year. Pictures may be drawn from a distant Branch, as well as from the one nearest to the school or club.

Revised lists of the collections at the branches are in preparation.

(Founded in 1836 by John Lowell, Jr., and opened to the Public in 1839.)

PROGRAM FOR 1913-1914.

THE TRUSTEE of the Lowell Institute under the will of John Lowell, Jr., maintains annually in the City of Boston various Courses of Public Lectures. For the present — the seventy-fifth — season five distinct Series are provided, as follows:—

- I. FREE PUBLIC LECTURES IN HUNTINGTON HALL, — the Rogers Building, 491 Boylston Street.
- II. FREE EVENING SCHOOL FOR INDUSTRIAL FOREMEN.
- III. TEACHERS' SCHOOL OF SCIENCE.
- IV. COLLEGIATE COURSES.
- V. FREE LECTURES IN KING'S CHAPEL ON CURRENT TOPICS IN THEOLOGY.

Further information in regard to each of the several Series is given below.

A. LAWRENCE LOWELL, *Trustee*.

W. T. SEDGWICK, *Curator*.

I. PUBLIC LECTURES IN HUNTINGTON HALL.

LOWELL INSTITUTE LECTURES open to the public will be given this year, as in recent years, in Huntington Hall, Rogers Building, 491 Boylston Street, Boston. The several Courses will be announced in advance, with full particulars, in the advertising columns of the *Boston Evening Transcript* and as far as possible in the *Quarterly Bulletins* of the Boston Public Library. They are briefly described on the next page.

☞ *Admission to these Courses is Free, but only by Ticket* (except as stated in paragraph 7 beyond), the number of tickets being limited by the capacity of the Hall.

Tickets are distributed to the public under the following rules:

1. *Admission tickets to the First Lecture* of each Course will be *mailed*, one to each applicant, in the order of application, and until the supply is exhausted, to all persons whose letters of application are received at least two days before the beginning of any Course by the CURATOR OF THE LOWELL INSTITUTE, 491 BOYLSTON STREET, BOSTON, and are accompanied by stamped addressed envelopes. (See paragraphs 3 and 4 beyond.)

In such envelopes, duly stamped and addressed, tickets will be mailed as soon as these are ready for distribution and provided the supply is not already exhausted. But if, as often happens, the desired tickets

are not yet ready, the envelopes will be kept on file in the order of application; and, as a rule, tickets for any Course will be mailed to applicants a few days only before the actual beginning of that Course.

When tickets are in much demand, only one ticket will be mailed to any one applicant or in any one stamped addressed envelope.

2. ☞ Persons desiring to secure tickets for more than one Course must send A SEPARATE, STAMPED, ADDRESSED ENVELOPE FOR EACH TICKET TO EACH COURSE.

3. On and after the day on which a Course begins, any tickets *left over* for that Course may be obtained at the Office of the Lowell Institute, 491 Boylston Street, between the hours of 9 A.M. and 4 P.M.; or by sending to the Curator (with a specific request for such left-over tickets) a stamped addressed envelope; but, inasmuch as it is intended to distribute tickets chiefly by mail, *no tickets will be given out at the Office of the Lowell Institute for any Course before the day on which that Course begins*.

4. ☞ Persons attending the *First Lecture* of any Course may, just before entering the Hall, EXCHANGE their *Admission tickets to the First Lecture* for TICKETS GOOD FOR RESERVED SEATS FOR THE ENTIRE COURSE.

5. In order to make the distribution entirely fair, all reserved-seat tickets are placed beforehand in envelopes, some containing one ticket good for one reserved seat, some containing two or more tickets good for adjoining seats. The envelopes are then shuffled, and at the First Lecture of any Course all who desire to do so may, as just stated (see paragraph 4), exchange their *First-lecture Admission* tickets at tables in the vestibule, for envelopes, drawn by lot, containing *COURSE* tickets good for *RESERVED SEATS*.

6. Two or more persons wishing to sit together may, by surrendering together their *First-lecture Admission* tickets (see paragraph 4), exchange these for envelopes containing *COURSE* tickets for *ADJOINING RESERVED SEATS*.

THE FIRST COURSE will be six lectures by KIRSOPP LAKE, M.A., D.D., Professor of Early Christian Literature in the University of Leyden, Holland, on **Primitive Christianity**. 1. II. EVENING SCHOOL FOR INDUSTRIAL FOREMEN.

The Trustee of the Lowell Institute maintains, under the auspices of the Massachusetts Institute of Technology, a Free Evening School for Industrial Foremen, comprising, at present, three Courses, one Mechanical, one Electrical and one a Buildings Course, each extending over two years.

The Courses of Instruction.—These Courses are intended to bring the systematic study of applied science within the reach of young men who are following industrial pursuits and desire to fit themselves for higher positions, but are unable to attend Courses during the day.

Those who complete satisfactorily the required Courses of the two years and pass the examinations are given certificates. The present school year will begin September 29, 1913. Attendance from 7.30 to 9.30 for three or four evenings a week is required, in addition to outside study.

REQUIREMENTS FOR ADMISSION.—To be admitted to the first-year course, the applicant must be at least eighteen years of age and pass satisfactorily entrance examinations in Arithmetic (including the Metric system), Elementary Algebra, Plane Geometry, and Mechanical Drawing. These examinations may be, in a measure, of a competitive nature, and considerable weight will be attached to the applicant's occupation and practical experience. The courses are open to those only who are ambitious and willing to study.

☞ A circular giving detailed information regarding the nature of the entrance examinations and other requirements may be obtained by sending a stamped addressed envelope to the Director, Professor Charles F. Park, Massachusetts Institute of Technology, Boston.

III. TEACHERS' SCHOOL OF SCIENCE.

Courses in this school are now included in the Extension Courses given by a combination of all the colleges in and about Boston; and as such they count as quarter courses for the A.A. degree at Harvard University, Tufts College, Radcliffe College, and Wellesley College. In accordance with a provision in the will of John Lowell, Jr., there will be a charge for each of these

courses of \$5 or less. They are given mainly under the auspices of the Boston Society of Natural History.

☞ For further information in regard to these Courses application should be made to Professor George H. Barton, Director, 234 Berkeley Street, Boston, or to the Commission on Extension Courses, University Hall, Cambridge.

V. COLLEGIATE COURSES.

These also have become a part of the University Extension Courses, and as such they count towards the A.A. degree. In accordance with a provision in the will of John Lowell, Jr., there will be charged for each Collegiate Course a fee of \$5 or less.

these and other Courses offered by the Associated Colleges may be obtained by applying to the COMMISSION ON EXTENSION COURSES, University Hall, Cambridge.

(Founded in 1836 by John Lowell, Jr., and opened to the Public in 1839.)

PROGRAM FOR 1913-1914.

THE TRUSTEE of the Lowell Institute under the will of John Lowell, Jr., maintains annually in the City of Boston various Courses of Public Lectures. For the present — the seventy-fifth — season five distinct Series are provided, as follows:—

- I. FREE PUBLIC LECTURES IN HUNTINGTON HALL,— the Rogers Building, 491 Boylston Street.
- II. FREE EVENING SCHOOL FOR INDUSTRIAL FOREMEN.
- III. TEACHERS' SCHOOL OF SCIENCE.
- IV. COLLEGIATE COURSES.
- V. FREE LECTURES IN KING'S CHAPEL ON CURRENT TOPICS IN THEOLOGY.

Further information in regard to each of the several Series is given below.

A. LAWRENCE LOWELL, *Trustee*.

W. T. SEDGWICK, *Curator*.

I. PUBLIC LECTURES IN HUNTINGTON HALL.

LOWELL INSTITUTE LECTURES open to the public will be given this year, as in recent years, in Huntington Hall, Rogers Building, 491 Boylston Street, Boston. The several Courses will be announced in advance, with full particulars, in the advertising columns of the *Boston Evening Transcript* and as far as possible in the *Quarterly Bulletins* of the Boston Public Library. They are briefly described on the next page.

☞ *Admission to these Courses is Free, but only by Ticket* (except as stated in paragraph 7 beyond), the number of tickets being limited by the capacity of the Hall.

Tickets are distributed to the public under the following rules:

1. *Admission tickets to the First Lecture* of each Course will be *mailed*, one to each applicant, in the order of application, and until the supply is exhausted, to all persons whose letters of application are received at least two days before the beginning of any Course by the CURATOR OF THE LOWELL INSTITUTE, 491 BOYLSTON STREET, BOSTON, and are accompanied by stamped addressed envelopes. (See paragraphs 3 and 4 beyond.)

In such envelopes, duly stamped and addressed, tickets will be mailed as soon as these are ready for distribution and provided the supply is not already exhausted. But if, as often happens, the desired tickets

are not yet ready, the envelopes will be kept on file in the order of application; and, as a rule, tickets for any Course will be mailed to applicants a few days only before the actual beginning of that Course.

When tickets are in much demand, only one ticket will be mailed to any one applicant or in any one stamped addressed envelope.

2. ☞ Persons desiring to secure tickets for more than one Course must send A SEPARATE, STAMPED, ADDRESSED ENVELOPE FOR EACH TICKET TO EACH COURSE.

3. On and after the day on which a Course begins, any tickets *left over* for that Course may be obtained at the Office of the Lowell Institute, 491 Boylston Street, between the hours of 9 A.M. and 4 P.M.; or by sending to the Curator (with a specific request for such left-over tickets) a stamped addressed envelope; but, inasmuch as it is intended to distribute tickets chiefly by mail, *no tickets will be given out at the Office of the Lowell Institute for any Course before the day on which that Course begins*.

4. ☞ Persons attending the *First Lecture* of any Course may, just before entering the Hall, EXCHANGE their *Admission tickets to the First Lecture* for TICKETS GOOD FOR RESERVED SEATS FOR THE ENTIRE COURSE.

5. In order to make the distribution entirely fair, all reserved-seat tickets are placed beforehand in envelopes, some containing one ticket good for one reserved seat, some containing two or more tickets good for adjoining seats. The envelopes are then shuffled, and at the First Lecture of any Course all who desire to do so may, as just stated (see paragraph 4), EXCHANGE their *First-lecture Admission* tickets at tables in the vestibule, for envelopes, drawn by lot, containing COURSE tickets good for RESERVED SEATS.

6. Two or more persons wishing to sit together may, by surrendering together their *First-lecture Admission* tickets (see paragraph 4), exchange these for envelopes containing Course tickets for ADJOINING RESERVED SEATS.

7. A limited number of applicants having NO TICKETS OF ANY KIND may as heretofore obtain admission to the Hall for any lecture (and almost always good seats) by waiting in line in the vestibule at the foot of the stairs.

8. At all lectures in Huntington Hall THE DOORS ARE CLOSED WHEN THE LECTURE BEGINS AND NO ONE is allowed to enter afterward.

Ticket holders are requested to return promptly to the Curator or to the Office, for the benefit of others, tickets which they find they cannot use.

A History of the Lowell Institute, by Harriette Knight Smith, giving a complete list of the lectures in previous years, the subjects of their lectures, etc., was published in 1898 but is now out of print.

BRANCH DEPARTMENT.

PICTURES THAT MAY BE BORROWED FROM THE BRANCHES.

The collections of pictures at the Branches and Reading Rooms are intended to supplement the material provided by the Fine Arts Department of the Central Library. They have been chosen principally with a view to their usefulness to teachers, and therefore represent such practical subjects as birds and animals, geography, history, folk-life, and the industrial arts. Many of them are colored. These pictures are lent freely to the teachers in the schools of the city and to clubs. Over forty-two thousand were circulated last year.

Pictures may be drawn from a distant Branch as well as from the one nearest to the school or club.

A Selected List

OF

Books Placed in the Public Library

Since December, 1913.

For other and later titles see the current Weekly Lists.

The arrangement is that of a dictionary catalogue, entry being made by author, subject, and title. The printing of a name, usually of an author, in SMALL CAPITALS, indicates that under that name in the main alphabet will be found further and fuller entry.
